Museum Island

Description: Tour of the Museum Island

Duration: 2 hours

Use the opportunity to take a two-hour tour of the Museum Island. Receive a brief impression of the Neue & Alte Museum (New & Old Museums), the Pergamon Museum and Alte Nationalgalerie (Old National Gallery). At the end, decide which of the museums you would like to take a short tour of (duration approx. 15 min).

City Tour including asisi panorama and the TV Tower

Description: City tour including two stops

Duration: 2 hours

Imagine everyday life with the Berlin Wall on a fictitious fall day in the 1980s and enjoy a view over the rooftops of Berlin today. Discover the many faces of Berlin and its wide range of interesting sights on the integrated city tour.

City Tour with Dalí exhibition & Panorama Punkt

Description: City tour including two stops

Duration: 2 hours

Visit the cultural highlight “Dalí – The Exhibition at Potsdamer Platz”, featuring more than 450 exhibits, and experience a rush of adrenaline in Europe's fastest elevator up to Panorama Punkt. Discover the many faces of Berlin and its wide range of interesting sights on the integrated city tour.

Berlin Underground

Description: City history from an unusual perspective

Duration: 2 hours

Follow a guide through former bunker complexes and subway tunnels. Get an impression of the situations, perspectives and planning during World War II and the Cold War. Guaranteed to take you on an exciting journey to another world and time.

Ethnological Museum: Africa Collection

Description: Tour of the Africa collection in Dahlem

Duration: 1 hours

Discover cultural and historical treasures from Africa and pay tribute to our VDMA President and his Africa policy at the Ethnological Museum, which has been one of the largest and most important museums of its kind worldwide since its founding in 1873. After the hour-long tour, explore the museum on your own and immerse yourself in other cultural and historical collections.

Guided City Walk

Description: From the Brandenburg Gate to Potsdamer Platz

Duration: approx. 2 hours

Like walking? Join us on a guided tour through the vibrant day-to-day life and history of Berlin from the Brandenburg Gate to Potsdamer Platz. Experience a rush of adrenaline at the speed of the fastest elevator in Europe up to Panorama Punkt and enjoy the fabulous view over the rooftops of Berlin.

Wilhelm-Foerster Observatory

Description: Billions of suns – a journey through the galaxies

Duration: 45-60 min.

Do you like stargazing? Are you interested not only in what is written in the stars, but also in history? Enjoy explanations of the early days of astronomy, the diversity of the field and the focuses of research results at the Wilhelm-Foerster Observatory.

Berlin's Highlights by Boat

Description: Exclusive boat tour on the Spree

Duration: 2 hours

Ship ahoy! Set sail on the Reederei Riedel ship for an exclusive boat tour on the Spree through the many faces of Berlin and its wide range of interesting sights.
